

## Masters in Geo Information Science for Environment and Sustainable Development (GI-ESD)

### Program structure - Level 6

#### Year 1 - Semester 1

Module code	Module name	Credits
GIS6161	Principles of Environment and Sustainable Development	15
GIS6162	Environmental Governance	10
GIS6163	Environmental Economics and Management of Environmental Projects	15
GIS6164	Environmental Modeling and Multi-Criteria Evaluation	20
	<b>Total for Semester 1</b>	<b>60</b>

#### Year 1 - Semester 2

Module code	Module name	Credits
GIS6265	Biodiversity Modelling	15
GIS6266	Land Degradation Modelling	15
GIS6267	Integrated Water and Wetland Management	15
GIS6268	Environmental Impact Assessment	15
	<b>Total for Semester 2</b>	<b>60</b>

#### Year 2 - Semester 1

Module code	Module name	Credits
GIS6361	Spatial Statistics	20
GIS6362	Research Methodology	20
GIS6363	Research Proposal	20
	<b>Total for Semester 1</b>	<b>60</b>

#### Year 2 - Semester 2

Module code	Module name	Credits
GIS6464	Thesis	60
	<b>Total for Semester 2</b>	<b>60</b>
